

Time Guide

Little Hands is a flexible course designed to meet the needs of individual teachers and school schedules. Each level is intended to be taught over the course of one school year. Children study one unit per month, and each lesson is designed to take 30-40 minutes. There are extra activities and a wealth of resources provided in the Teacher's Manual and Teacher's E-Kit, so teachers can easily expand their lessons if needed. *Little Hands* has teachers covered! See below for two schedule options.
