Chinese      writing class      write stories  
sharing their stories      making music      play the violin      Chinese class

Many schools have good programs for children after school.  
Children learn different things and have fun together.

- Every Monday, these children have a writing class.  
They write stories together. They have fun sharing their stories.
- On Tuesdays and Fridays, these children learn to play the violin.  
They like making music together.
- These children learn Chinese together after school.  
Their Chinese class is once a week on Thursdays.

● Find the words and fill in the blanks.

hibernate      adapt      den      fur      grows      migrate

I hibernate, or sleep, in my den all winter. I don't wake up until spring comes.

We migrate, or fly, to some place warm. We don't come back until spring comes.

I adapt to the cold weather by changing myself. My fur changes color and grows warmer. Then, I can easily hide in the snow.

Important People

All jobs are important. In history, there were many special people with special jobs. These people made the world a better place.

Anne Sullivan (1866–1936)

She was an amazing teacher. She taught Helen Keller who was deaf and blind.

Alexander Graham Bell (1847–1922)

He was a scientist and inventor. He invented the telephone.

Leonardo da Vinci (1452–1519)

He was an artist, inventor, scientist, writer, and much more. The Mona Lisa is one of his most famous paintings.
