

_____ 's Bakery

_____ is a baker. His/Her bakery is one of the most
(who)
popular places in our neighborhood. When people walk in the door,
they all say, "Mmm, it smells so _____ in here."
(How does it smell?)
Then he/she always says, "Thanks."

I like the bakery smell too. It smells _____ all the time.
(How does it smell?)
Sometimes, it's the bread, sometimes it's the cakes, and
sometimes it's the apple pies. They are all good, and I'm not sure
which one I like the best. I think they smell really good when the
smells are all mixed together.
