

Team Sports

In _____, many children play team sports once or
(where)
 twice a week. The popular team sports are _____,
(What are the popular team sports?)
 _____, and _____

There are sports programs for children in every neighborhood. We can sign up for one of them. Or, we can just get together with friends at the park and start playing.

We like playing sports because _____
(Why do you like playing sports?)
 We feel _____ when we win the game, but we
(feeling)
 know that winning isn't everything. What's important is playing and working together with friends. This is _____,
(your name)
 reporting from _____
(your country)

Draw a popular team sports in your country.
