How old is he?	He is 74.
How are they?	They are happy.
How old are they?	They are three.

## Extension Activity

>> Read and Match

- Materials:

- ① **Activity Sheet 20** - Photocopiable from page 139  
(Also printable from Teacher Resource CD)
- ② a pouch/bag and scissors (per pair)

- How to play:

- ① Pair up students. Give each pair a copy of Activity Sheet 20, a pouch, and scissors.
- ② Students cut out the cards and take five question cards each. They put the ten answer cards in the pouch.
- ③ In pairs, students take turns drawing an answer card from the pouch. If they have the matching question card, they can keep the answer card after reading the question and the answer. If they don't have the matching question card, they put the answer card back in the pouch.
- ④ The student to find the five matching answer cards first wins the game.
