## Extension Activity

## >> Adjective Board Game

- Materials:
    - ① **Activity Sheet 12** - Photocopiable from page 131  
(Also printable from Teacher Resource CD)
    - ② a pouch/bag, two counters, and scissors (per pair)
  - How to play:
    - ① Give each student a copy of Activity Sheet 12.
    - ② Pair up students and give each pair a pouch, two counters, and scissors.
    - ③ Students cut out the word cards and put them in the pouch. There should be two sets of cards in the pouch.
    - ④ Place the game board in the center of the desk. In turn, students draw an adjective card from the pouch. They place their counter on the nearest matching picture ahead and say the sentence using the adjective. For example, *It is a small spider*. However, when there is no matching picture ahead, then move backwards to find a matching picture.
    - ⑤ If there are no more cards left in the pouch before the game is over, students put the used cards back in the pouch and continue the game.
    - ⑥ The student to first reach FINISH wins the game.
