## Extension Activity

### >> Who or What?

- Materials:
  - ① **Activity Sheet 17** - Photocopiable from page 138  
(Also printable from Teacher Resource CD)
  - ② a pouch/bag and scissors (per pair)
- How to play:
  - ① Give each pair a copy of Activity Sheet 17, a pouch and scissors.
  - ② Students cut out the word cards and put them in the pouch. Tell students **Who** cards can beat **What** cards.
  - ③ In pairs, students both draw a card from the pouch. They look at the big picture and make an information question about the people or animals indicated by the number on the card. Have them answer each other's questions. For example, *Who is standing on the slide? The mouse is standing on the slide. What is the rabbit doing? It's eating on the bench.* Then, the student with a **Who** card takes their partner's **What** card.
  - ④ If both students have the same question words, they put the cards aside and repeat step 3. The next winner takes these cards.
  - ⑤ The student with more cards wins the game.
