Extension Activity

>> Roll, Circle, and Say

- Materials:

- ① **Activity Sheet 13** - Photocopiable from page 134
(Also printable from Teacher Resource CD)
- ② a die and two counters (per pair)

- How to play:

- ① Give each student a copy of Activity Sheet 13.
- ② Pair up students and give each pair a die and two counters.
- ③ Students take turns rolling the die and moving their counters on their own game board. When an odd number is rolled, they can move their counter one space. When an even number is rolled, they can move two spaces.
- ④ Students read the comparative in the square, circle the matching picture, and say the sentence using the comparative.
For example, *The computer is more expensive than the camera.*
- ⑤ Play until one of the students reaches FINISH. The student who circles more pictures wins the game.
