

SPACE TRAIN

Goal: Be the first to finish!

Materials: Flashcards (1-72), a die, 3 game pieces for each team

How to play:

1. Divide students into groups of two teams, with one to three students on each team.
2. Students put flashcards (1-72) in a single pile

The background is a deep blue space filled with stars. A large rocket ship is at the top right, launching upwards with orange flames. In the center, there are several planets of different colors and sizes. One planet has the number '1' on it, another has '2', and others have '3'. There are also smaller celestial bodies like moons and comets. Various space-related objects are scattered throughout: a purple alien spaceship with yellow eyes, a green alien in a white suit holding a 'Ticket', a blue alien in a spacesuit, a red alien, and a small robot. The overall theme is fun and imaginative space exploration.

with the picture side facing up.

3. Teams take turns rolling the die and moving their game pieces forward. Teams can move more than one game piece during the game.
4. Teams pick up the same number of flashcards as the number written on the space and say the words aloud.
5. If the team's game piece lands on a space occupied by another one of their game pieces, they move both game pieces together for the rest of the game.
6. If the team's game piece lands on a space occupied by the other team's game piece, they bump the other team's game piece back to **Start**.
7. If the team's game piece lands on the **TIME MACHINE** space, the team can move their game piece to any space on the board, except for **Finish**.
8. The first team to get all three game pieces to **Finish** wins the game.

[illegible]

The illustration depicts a lively space scene. At the top, a large blue planet with the number '1' is shown. Below it, a green planet with the number '2' has a small alien character standing on its surface. To the right, another blue planet with the number '3' is visible. In the center, a green planet with the number '3' is surrounded by other celestial bodies. A rocket ship is launching from the bottom left, leaving a trail of orange flames. Various space vehicles, including a purple spaceship with a yellow face and a green train-like vehicle labeled 'Take the SUPER express train.', are scattered throughout the scene. The background is a deep blue space filled with stars and smaller planets.

8. The first team to get all three game pieces to **Finish** wins the game.

The background is a deep blue space filled with stars. A large rocket ship is at the top right, launching upwards. In the center, there are several planets of different colors (blue, green, red) with large white numbers on them. To the left, a purple alien spaceship with a jagged mouth is shown. Below it, a small orange alien is floating. At the bottom, a green train labeled 'Take the SUPER express train.' is moving towards the right. Other elements include a blue alien head at the bottom left, a red planet with a yellow arrow, and various smaller spacecraft and alien figures scattered throughout the scene.

8. The first team to get all three game pieces to **Finish** wins the game.

The background is a deep blue space filled with stars. A large rocket ship is launching from the bottom right, leaving a bright orange and yellow trail. In the center, there are several planets of different colors and sizes, each with a large number on it. To the left, a purple alien spaceship with a menacing face is shown. Below it, a small orange alien with a single eye is floating. To the right, a green alien with a friendly expression is visible. Various other space elements like smaller rockets, satellites, and alien heads are scattered throughout the scene.

 8. The first team to get all three game pieces to **Finish** wins the game.

The background is a colorful space-themed illustration. It features several planets of different colors (blue, green, red) with large black numbers (1, 2, 3) on them. There are also various space-related elements: a purple alien spaceship with yellow eyes, a blue rocket ship with orange flames, a green train-like vehicle labeled "Take the SUPER express train.", a small alien character holding a "Ticket", a blue robot-like figure, and other smaller spacecraft and alien heads scattered throughout the scene. The overall style is cartoonish and playful.
